On September 1, 2005, during a procedural conference hearing, the Department denied The Energy Consortium's motion for full intervenor status. At that time, The Energy Consortium requested limited participant status, which it had requested in the alternative in its motion to intervene. I hereby allow The Energy Consortium to participate in this proceeding as a limited participant. As a limited participant, The Energy Consortium shall receive copies of all documents submitted in this proceeding, and may attend hearings and conferences. The Energy Consortium shall also be permitted to file a written brief at the close of hearings.
